Introduction to IJIEG

The International Journal of Islamic Economics and Governance (IJIEG) is a double-blind peer-reviewed journal to disseminate quality research from across the world in the field of economics, business management, commerce, and finance, with an emphasis on the Islamic perspective. IJIEG is sponsored and published by the International Center for Research in Islamic Economics (ICRIE) and the School of Islamic Economics, Banking, and Finance (SIEBF), Minhaj University, Lahore, Pakistan.

ICRIE aims to provide an active platform to the researchers, authors, and pen wilder to share their innovative and value-added ideas, thoughts, solutions, and knowledge through this platform in the form of scholarly writings. The International Journal of Islamic Economics and Governance (IJIEG) publishes articles that report empirical research, both quantitative and qualitative, that expands knowledge about Islamic Economics, Islamic Monetary Economics, Islamic Social Finance, and Islamic Banking & Finance practices. Editors will consider manuscripts that make significant contributions to the literature in Islamic Economics and also Islamic banking & finance-related studies.
